

JOURNEY to the WEST 84

The Sad King

The travelers were walking through a city
in the Scarlet Kingdom.

The sign read: “The King
of the Scarlet Kingdom is seeking help.

The travelers arrived at the palace gate.

Wukong walked up to the king.

Suddenly the king covered his face with
his hands and burst out crying.

“Wukong!” hissed the Tang Monk.

“Show some respect.”

I will tell you what happened.

The king got up and walked to a window.

Wukong landed on the demon' s mountain.

A large demon with broad shoulders
came out of the cave.

The monkey coughed as sand flew up his nose.
