After class

Think Before You Use.

It's true that disposable chopsticks are convenient. Restaurants use them because they are ideal for takeout and delivery meals. But that means millions of trees are cut down. To decrease the use of one-time-use chopsticks, everyone is encouraged to use reusable chopsticks.

一次性筷子因其便捷，适合外带食物而备受商家青睐。但这就意味着数以百万的森林被砍伐。因此，如果人人都自备餐筷就以减少使用一次性筷子。
