Review 4

Look and read.

A tornado is a storm.
In this storm, the wind
moves very quickly in a
circle. Tornadoes can
pick up trees, cars,
and houses!

You can make a model
tornado in a bottle.
Here's how to do it.

1. Use two bottles. Put
water in one of the
bottles. Put tape on the
mouth of the bottle.
Make a hole.

2. Tape the necks of
the bottles tightly
together.

3. Turn over the
bottles. Tilt the
bottles and swirl the
water in a circle. You
are going to see a
little tornado.
