Part 1 Warm up

(1 min)

Look and read.

wings

monarch butterfly

Part 1 Warm up

(1 min)

Look and read.

Look and read.

The monarch butterflies are here in California!
They usually live in the north in the summer.
Every winter, they spread their wings and fly south to Mexico because they don't like the cold.

Monarch butterflies are beautiful.
They fill the sky with orange or black spots when they fly.

Part 2 Let's Learn

(4 mins)

Look and read.

In the winter, the butterflies stop in California to rest. They are in all the trees. Winter is my favorite season because the butterflies are here.

In spring, they will fly north again to Canada. These butterflies are graceful, colorful and wonderful.
