Review 4

Look and read.

You need two things to taste food:

(味蕾)

taste buds and a sense of smell.

Taste buds are on your tongue. They help you taste each kind of flavor. Taste buds tell you that ice cream is sweet, potato chips are salty, lemons are sour, and some dark chocolate is bitter.

Review 4

Look and read.

Your sense of smell is important, too. It helps you taste.

Try this. Drink a glass of apple juice. It will taste sweet. Then pinch your nose closed. Drink some juice. Now you can't taste it because you can't smell it.
