Do you like to look at waves when you go to the beach? You can look at waves in a bottle, too!

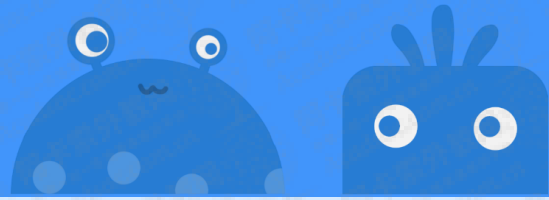

1. First, wash a bottle so you can reuse it. Put some water and a little blue color into the bottle.

2. Next, put oil into the bottle. You can put in some glitter, too.

3. Put some glue around the bottle cap and close the bottle. Close it tight!

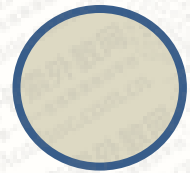

4. When you move the bottle, you'll see waves!
