The Blue Planet

Earth is called the Blue Planet. Do you know why? The Earth looks blue from space because there is water on 70% of our planet.

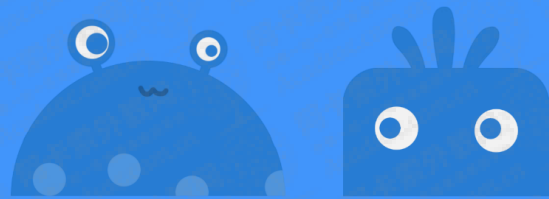

Sometimes there are storms over warm ocean water. These are hurricanes. The wind is very strong, and it blows in a circle. North of the equator, hurricane winds blow counterclockwise. South of the equator, the winds blow clockwise.

Hurricanes form at the equator. It is very rainy and moist there. There are many different animals and beautiful plants.
