Part 1 Warm up

(3 mins)

Look and read.

ice pop

soda powder

straw

cup

mix

freeze

(过去式froze, 过去分词frozen)

Look and read.

The First Ice Pop

Do you like ice pops? A young boy **made** the first ice pop in 1905.

One cold night, Frank **was making** soda water outside. He **mixed** soda powder and water in a cup. He **was mixing** the soda with a straw when he **heard** his mother. "Come inside, Frank," she **said**.

Frank **forgot** to take his cup with him. In the morning, he **saw** the cup. The soda water **was** frozen. He **pulled** the frozen soda out of the cup.

It **was** an ice pop!

1. Look and circle.

① To make an ice pop, what did Frank need?

Tip: Find the key on next page.
