II. IELTS Speaking Part 1 (10 mins)

1. Read and learn the following key words and sentences for the IELTS Part 1. You are suggested to apply these words in the following steps. (5 mins)

Key words and key sentences

currently

Example: **Currently**, many people have been relying on cars to get to work. However, this is causing both health problems and increased traffic. Because of these issues, an increasing number of people are starting to ride bikes instead of driving cars. Also, some Chinese people from the middle-class have become cyclists who bike for pleasure rather than for practical reasons.

consequence

Example: I believe cycling is suitable for all ages, except the young and the elderly. Young children have difficulty keeping their balance, so they fall off their bikes and get hurt easily. Elderly people may suffer from weakened bones, which could lead to serious **consequences** if they fall off their bicycle.

consciousness

Example: The advantages of bike ownership are many. Bicycles are less expensive, provide a way to conveniently exercise while commuting, and are less likely to be caught in a traffic jam compared to cars. Finally, for the environmental **consciousness**, bicycles are the best choice of green transport.

Extend your answer to 3-4 sentences. It's easier to get 6.5.

Model 1

Who: I would say Mother Teresa is the person I know of who has done the most to help others. Mother Teresa started helping people in India at the age of 24.

How you know about him/her: I learned about Mother Teresa's efforts from a friend. She spoke highly of Mother Teresa. After that, I researched Mother Teresa on the Internet. When I learned about the heroic way Mother Teresa helped people, I was emotionally touched.

What she did and where : She helped poverty stricken people in the poor neighbourhoods of Calcutta, India. She fed homeless people who were starving on the street, and provided medical care to those who were sick. She started a school to teach children how to read. Mother Teresa even once negotiated a cease-fire in a war zone in order to rescue 37 children trapped in a hospital. Because of what she had accomplished, she won the Nobel Peace Prize in 1979 for her contributions to humanity. In her lifetime, Mother Teresa set up hundreds of charity organisations, which are still helping people all over the world today.
