At a village **fair**, I decided to visit a **fortune-teller** called Madam Bellinsky. I went into her tent and she told me to sit down. After I had given her some money, she looked into a **crystal** ball and said: “A **relation** of yours is coming to see you. She will be arriving this evening and intends to ^{[1] *intend to do sth.*} stay for a few days. The moment ^{[2] *As soon as ...*} you leave this tent, you will get a big surprise. A woman you ^{意图做某事} know well will rush towards you. She will speak to you and then she will lead you away from this place. That is all. ^{[3] *that is all*} As soon as I went outside, I forgot all about Madam Bellinsky because my wife ^{就这些; 说完了} hurried towards me. “Where have you been hiding?” she asked **impatiently**. “Your sister will be here in less than an hour and we must be at the station to meet her. We are late already.” As she walked away, I followed her out of the fair.
