After his attempt, Campbell was disappointed to learn that his average speed had been 299 miles per hour. However, a few days later, he was told that a mistake had been made. His average speed had been 301 miles per hour. Since that time, racing drivers have reached

[4] *follow in sb.'s footsteps*
 speeds over 600 miles an hour. Following in his father's footsteps many years later, Sir
 追随某人的脚步，比喻做相同的事
 Malcolm's son, Donald, also set up a world record. Like his father, he was driving a car called Bluebird.

What mistake was made?

TI: Listen and guide S through the text.

D. Summary

(6mins)

- Answer these questions in complete sentences. Your answers to the questions must follow one another and make a complete paragraph in not more than 75 words.

1. Who set up a land-speed record in 1935? What was his car called? Had it been specially built for him or not? (*driving a car...which*)
2. Was his average speed incorrectly declared to be 299 miles per hour or 289 miles per hour? Was this mistake corrected later or not? (*but*)
3. How many miles an hour had he averaged? (*As*)
4. Is Malcolm's son Donald, one of the racing drivers who have exceeded the old record? What was his car called? (*Among them is...whose*)

* Tip:

Use passive voice properly.

* 小提示:

正确使用被动语态。

D. Summary

- Answer these questions in complete sentences. Your answers to the questions must follow one another and make a complete paragraph in not more than 75 words.

The great racing driver, Sir Malcolm Campbell, was the first man to drive at over 300 miles per hour. He set up a new world record in September 1935 at Bonneville Salt Flats, Utah. Bluebird, the car he was driving, had been specially built for him. It was over 30 feet in length and had a 2,500-horsepower engine. Although Campbell reached a speed of over 304 miles per hour, he had great difficulty in controlling the car because a tire burst during the first run. After his attempt, Campbell was disappointed to learn that his average speed had been 299 miles per hour. However, a few days later, he was told that a mistake had been made. His average speed had been 301 miles per hour. Since that time, racing drivers have reached speeds over 600 miles an hour. Following in his father's footsteps many years later, Sir Malcolm's son, Donald, also set up a world record. Like his father, he was driving a car called Bluebird.
