

JOURNEY to the WEST 34

Tricked by the Princess

The Tang Monk was tied up in a room. . .

A young woman entered the room. . .

Bajie and Wujing were still fighting the monster. . .

“Monster!” she cried. “I must ask you a favor” . . .

The monster held up his hands. . .

Bajie and Wujing looked at each other in confusion. . .

The pig swung his rake. . .

“You can’ t take the princess away,” said the monster. . .

The monster knocked out Wujing and tied him up. . .

“The king knows that the princess is here,” said the monster. . .
