The Magic Gourd

Bajie was in the cave when the door opened. . .

Golden Horn talked to some smaller demons. . .

He handed a gourd to one of the demons. . .

“Grrr!” Wukong pushed as hard as he could. . .

Wukong ducked behind a rock before the demon saw him. . .

“Hello!” he called. “Where are you going?” . . .

The demon showed Wukong his gourd. . .

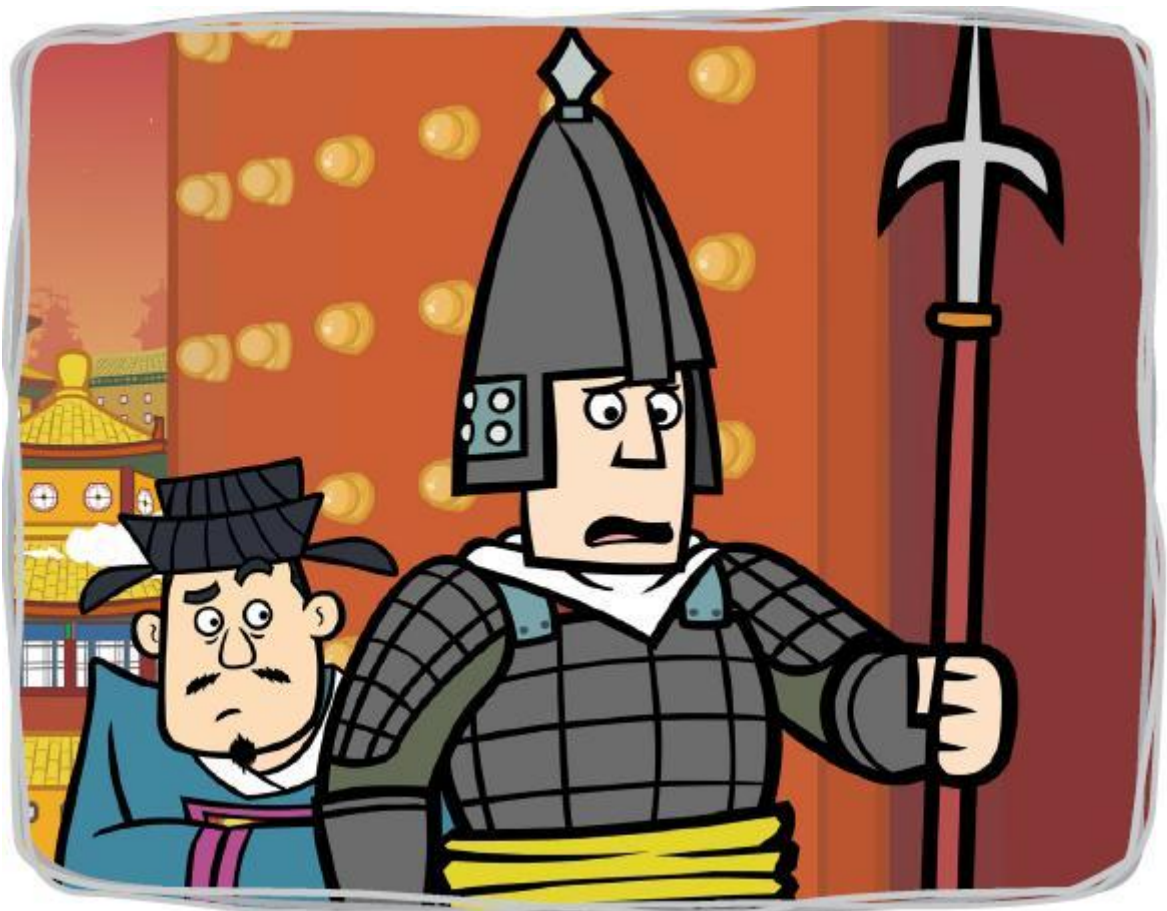

Wukong laughed. “I have a better gourd. . .

The demon looked interested. “I wish I had your gourd” . . .

Wukong flew fast up to Heaven. . .

The guard frowned. “I can’ t do that!”
