A journey you remember well

I. Pronunciation practice (5 mins)

Try to read the tongue twister as fast as you can.

After seeing the bloody shirt, the police
were sure that she had encountered
the murderer at the moor when trying
to turn back from the tour.

II. IELTS Speaking Part 1 (10 mins)

1. Read and learn the following key words and sentences for the IELTS Part1. You are suggested to apply these words in the following steps. (5 mins)

Key words and key sentences

advent

Example: Ever since the **advent** of text-messaging services, I've made a constantly decreasing amount of phone calls. When the cellphone first burst onto the scene in the 2000s, I literally made a phone call at least 2 to 3 times a day. Now, with the development of affordable text messaging, I only make phone calls to my immediate family or if there is an emergency of some kind.

reckon

Example: I **reckon** the person who I spend the most time talking on the phone to is my mother. For one thing, the only way to contact her is by calling her, since she is totally unable to text or Wechat me. For another, she lives alone in a town far away from Beijing. I always had a close connection with my mother, so it's important for me, personally, to maintain our relationship.

as if

Example: If I'm sending a query that isn't urgent or chatting aimlessly, I'll often send a text message instead of directly calling the other person. By doing so, I don't feel **as if** I'm disturbing the other person, and they can answer at their own convenience.

Extend your answer to 3-4 sentences. It's easier to get 6.5.

2. Imagine you are a candidate in the IELTS test. The teacher is an examiner. Please answer the questions below with what you have learned to develop your IELTS answers. (5 mins)

How often do you make telephone calls? **Why?**

Who do you spend the most time talking to on the phone? **Why?**

Do you sometimes prefer to send a text message instead of telephoning? **Why?**

Tips for getting a higher score:

1. Answer directly
2. Give reasons

III. IELTS Speaking Part 2 (20 mins)

1. Read the task card for 10 seconds and get a general idea of this topic. (1 min)

Describe a journey [e.g. by car, plane, boat] that you remember well.

You should say:

where you went

how you travelled

why you went on the journey

and explain why you remember this journey well.

In the real examination, the examiner will ask you to prepare for 1 minute.

2. Read and learn the following key words and sentences for the IELTS Part 2. You are suggested to apply these words in the following steps. (6 mins)

Key words and key sentences

memorable

Example: It was a **memorable** birthday party because my friends bought me a bass guitar that I couldn't afford to buy myself.

exclusive

Example: The beach resort located in Southern Spain has the most **exclusive** services.

make up one's mind

Example: I haven't **made up my mind** on where to go yet.

turn out

Example: It **turned out** that we'd been to the same school.

3.1 Here is a model for the IELTS Speaking Part 2. We will focus on the sentences highlighted below. (4 mins)

Model 1

Where: I would like to talk about my first trip to Europe, which gave me a deep and lasting impression.

How: Since going on this journey was not possible by train, I decided to travel by air. I bought my plane ticket a whole month before my planned trip, as it was much cheaper that way.

Why you went on: The reason I went on this trip was that I had accumulated a large amount of frequent flyer miles on many of my business trips and I had lots of vacation time that I had not used at my current job. As I was taking the subway on my morning commute one day, I saw an advertisement for special deals on travelling to Europe, so I decided at that moment to visit the other side of the world.

Why you remember: It was a memorable trip for a variety of reasons, one of which is that it was my first time traveling to that region of the world. Another reason I remember this trip so well is that I joined an exclusive tour group that allowed me to explore locations which are usually unavailable to individuals. For example, I was able to visit the ancient catacombs in France and the Eagle's Nest in Germany.

注：the Eagle's Nest 鹰巢（希特勒的私人城堡）

flyer miles 飞行里程

catacomb 地下墓穴
